## BUTCHERS GRILL TO OPEN AT TWO MELBOURNE LOCATIONS

(Melbourne) "*Sharing Your Passion for Quality Meat & Wine*", *Butchers Grill Meat & Wine Room*, opening today at Waterfront City Docklands (formerly *Hot Chocolate*), boasts a Mediterranean style menu full of quality Victorian meat. Nearly everything on the menu is cooked over an open grill, which means a healthier meal for diners.

Choose your favorite cut from the meat display or order straight from the menu. Home style dishes include Chevapchichi (skinless sausage) and Pljeskavica (spicy met patty). Steak fans will be pleased with the large range of prime beef offered at *Butchers Grill*; everything from Porterhouse to T-Bone. To sample a little of everything try the Mixed Grill Platter for 2 with steak, pork, lamb, and sausage plus other grilled delights. Lighter options of seafood & poultry are also available.

*Butchers Grill* understands how the right wine perfectly compliments a meal. With this in mind, a wall of select boutique wines has been specially created. Peruse the wine wall at leisure to search out the preferred drop, or choose from the recommended wine list. Knowledgeable staff are always on hand to assist in selecting a bottle.
